

NOURISHING PAW BALM

Ingredients:

- 2 tbsp olive oil
- 2 tbsp shea butter
- 2 tbsp beeswax
- 2 tbsp coconut oil
- 2 tbsp almond oil

If desired, a few drops of essential lavender oil can be added.

Combine all ingredients except the shea butter in a tall bowl or glass jar.

Slowly melt in a double boiler over medium heat. Once all ingredients are melted, remove the bowl from the boiler and add the shea butter.

Mix everything thoroughly and transfer the balm to a screw-top jar.

The paw balm will fully harden within a few hours.
